

Policy 13
Type: Board of Directors Policy
Name: Mission Statement and Ends

It is the mission of the Frost Student Association Corporation to advocate and provide activities and services that enhance the quality of student and campus life.

Improvement of the quality of student and campus life will include, but is not limited to, the following objectives known as “ends” -

- 1) The Board of Directors will act as a liaison and advocate for students to the college and community;
- 2) The effective engagement and leadership development through the operation of a program presidents system;
- 3) The providing of a student health and dental plan;
- 4) To own and effectively operate the Auk Lodge;
- 5) The overall responsibility of ensuring that a comprehensive athletic program is offered:
- 6) To offer other services of interest to the campus community including, but not limited to, the student handbook, production of the Frost Campus yearbook, student food bank, and ride share program; and
- 7) An informed student body that has a comprehensive knowledge of the entitlements, processes and services offered by the Frost Student Association through the publication of the Woodland Times e-newsletter and other means as appropriate.
